

Cardiology STEMI Response Policy

1. Cardiologist will have 8 minutes to respond to ED STEMI page.

Page will be designated as:

“STEMI Activation” – Patient is in the ED Dept.

or

“STEMI ETA” – Patient is enroute to our ED Dept.

ETA time will be provided

2. Cardiologist will be expected to be in the hospital within 20 minutes of their response time if the patient is in the hospital or within 20 minutes of notification that patient has arrived in the ED.
